

MTH301 Final Year Project: Oral Presentation

Academic Year 2025/26

1. Dates

- Presentations will take place in Week 12 and Week 13 (May 18 – 29).

2. Presentation Duration

- Each student is required to deliver a 15–20 minute oral presentation on their project topic.

3. Presentation Materials

- **Students must submit their presentation slides on LMO prior to the session.**
- Presentations should be well-structured and accompanied by slides to aid clarity and audience understanding.

4. Question and Answer Session

- Following the presentation, a 5–10 minute question and answer session will be held.
- Students should be prepared to respond to questions from both examiners.

5. Assessment

- The presentation contributes 20% of the final grade.
- There is no resit opportunity for this assessment.
- The First Examiner (supervisor) and Second Examiner will evaluate the presentation based on the Marking Criteria.
